

# myAvatar Overview: **Mental Health Only**

**Instructor:** Quality Improvement Staff

**Target Audience:** All MCBH Clinical Staff & Mental Health Contracted Staff that use Avatar

## Course Description:

This is a hands-on computer-based training through Zoom. This course is available for Monterey County Behavioral Health Staff and Contractors. It is designed to provide participants with a TECHNICAL (not clinical) introduction or refresher on Monterey County Behavioral Health's Electronic Medical Records system. This course will only focus on Mental Health and not SUD.

## As participants, we will learn to:

- 1) Introduction to QI Website/Helpline and Resources.
- 2) myAvatar system navigation and function fundamentals.
- 3) Q&A for QI staff on myAvatar related topics.
